

Tohoku University Kawauchi Campus, Land Use Plan of the North Peripheral Area

- To the opening of business of subway Tozai Line, the campus side front space of the station is landscaped as station square open space.
- Existing parking lot (car, motorcycle and bicycle) will be relocated to the west of the station, making the station front a comfortable pedestrian area.
- Regarding the entry from city road to the campus, the entry for car and motorcycle will remain same, and the entry for pedestrian and bicycle will be relocated to the west of the station.
